## NEHCREA AWARDS SCHOLARSHIPS

The Northeast Harris County Retired Educators Association (NEHCREA) proudly awarded six scholarships to six outstanding students from Galena Park ISD. These exceptional students were selected by our dedicated Scholarship Committee, who worked diligently to identify highly academic individuals with a shared passion for education and a desire to become future educators. Our mission is to uplift and support the next generation of educators—lifelong learners who aspire to make a meaningful impact in the world.

## ● CELEBRATION LUNCHEON

To honor the recipients, NEHCREA hosted a celebration luncheon on Thursday, May 15, 2025, at the Zotz Education Center. Students, their families, and school counseling staff joined us for an uplifting and joyful event. Each recipient received a copy of *Oh, the Places You'll Go!* by Dr. Seuss—a symbolic sendoff as they prepare for their journey into higher education and the field of teaching.

## SCHOLARSHIP COMMITTEE

Thanks to a very successful year of donations by our members, NEHCREA was able to provide these scholarships and invest in the future of education. We are incredibly grateful for the generosity and support of our members, whose contributions made this possible.

### SPECIAL HIGHLIGHT

As a special highlight, we also heard from one of last year's scholarship recipients, Angelina Gonzalez, who shared her inspiring experiences from her first year in college and how the support from NEHCREA made a difference in her journey.

NEHCREA is making it happen —investing in the future of education, one student at a time!
